Introduction

In this workbook, multimedia is used to make the Bible more visually enriched and understandable in user friendly English for young and old. This program consists of a guide, which includes additional internet resources, workbooks and DVD's. This series is suitable for families at home as well as Churches and Schools.

Christ is centralised in this workbook because it is of the utmost importance that children should know and learn about the Word of God. The texts from Scripture that are discussed, guide and determine the contents of the different lessons, which are presented. The New King James Bible (<https://www.biblegateway.com/>), see QR code, was used in the workbook and therefore the New King James Bible should be used to complete the assignments in the workbooks.

The complete package falls into three parts:

Part 1

Creation up to Noah

Abram

The Gospels: The announcement of the Birth of Christ up to Peter's Confession.

Part 2

Isaac up to Joseph

Moses up to Joshua

The Book of Judges up to Saul

The Gospels: Jesus leaves Galilee and the events occurring up to His arrest.

Part 3

David and Saul

Kings and prophets

The Gospels: Jesus is sentenced by Pilate and the events up to His Ascension

Acts and the conclusion of God's Revelation

The Instituut vir Christelike Onderwys (ICO) aspire to publish Biblically based schoolbooks and study guides. This Biblical teaching program is published in collaboration with the Akademie Reformatoriese Opleiding en Studies (Aros).

Our goal is to benefit our children, students and parents with Biblical knowledge that will enable us all in contributing to the expansion of the Kingdom of God in this world. The guidance from the Holy Spirit and a thorough knowledge of the Bible will give us the necessary skills because we aim to serve the Lord correctly, to shine our light in the world, and be His witnesses.
